I understand that being involved in a drama production at Coast Union High School requires serious commitment, and I will only apply for and accept a role for which I can give my full commitment. I realize that the schedule for the production includes weekday nights, weekends, and some late nights, especially as we get closer to the performances. I am aware of the performance and rehearsal schedule, and I have provided accurate information about any known conflicts I may have. I have also checked with my parents about any known scheduling conflicts.
